# SDBFF 2023

The Grand Rapids Stock da Bar Foundation is a non-profit organization dedicated to the purpose of improving the quality of life for youth in West Michigan and abroad by providing resources and opportunities that will help meet the needs of the impoverished and underserved.

Our mission revolves around three pillars: Family and community, economic equity, and youth mentorship. These values drive us to organize events and festivals designed to create lasting relationships between community members. We promote youth development by partnering with and giving our time & economic resources to the Boys & Girls Clubs of America.

To continue our work, we rely on your generosity and willingness to support us. With these resources we provide support and opportunities, while promoting the unique cultures of the ever-expanding West Michigan community.

For more information on our organization and how you can help, please visit [www.stockdabar.com](http://www.stockdabar.com) or email our Executive Director, Daryl Reece, at [daryl@stockdabar.com](mailto:daryl@stockdabar.com). With your contribution, we can now build upon the success of our festival and expand our mission to improve the lives of young people across Michigan. Your gift will help us continue to serve and uplift the community, and we are deeply grateful for your support.
